ABOUT SUDHARSANAM

Sudharsanam Trans was started in a humble way by Mr.A.K.MANI with just one trailer truck during 1993. Over a period of years, we have reached a height with 50 trailers. Because of high interest in growth, the company entered into Cranes and now the leading crane hirer in South India with 20 cranes.

Backed by rich industry experience of more than 25 years, we are indulged in offering Cranes & Trailers Rental Services to our valued clients, based all across the nation. The services offered by us are cost effective, prompt and executed within the committed time using world class cranes such as Truck Mounted Cranes, Crawler Cranes, Telescopic Cranes and Hydraulic Cranes. In addition, we also offer to our clients, Structural Erection Services as well as Trailer Services for heavy transportation. The requirements at the clients' end are well understood by us and accordingly a solution is devised to ascertain maximum client satisfaction.

To meet the escalating demands of the industry, we have accumulated a fleet of 50 trailers, and 20 cranes with a capacity range of 20 MT to 600 MT. These are sourced from reputed manufacturers of the industry such as DEMAG, LIBHERR, GROVE, P&H, TADANO, KRUPP, VOLVO and LEYLAND etc. We are assisted by a team of highly qualified professionals with rich expertise, in providing all kinds of tank vessels related services including erection, fabrication, mantling, dismantling, loading, and unloading. Banking on customer-centric approach, timely delivery and cost effectiveness, we have garnered a huge client base, with a strong foothold in the South Indian market.
